## Paul Condry is the Speaker for the Fourth Annual HHS Alumni Association Dinner Meeting May 22

Join us for our fourth Annual Dinner Meeting on Friday, May 22, which will feature guest speaker Paul Condry. Paul is the President of Regional Radio Sports Network, author of the book and documentary film, "Once a Brickie, Always a Brickie", the history of the Hobart High School football program.

Doors will open at 5:30 pm, with dinner at 6:00 and the program beginning at 6:30. In addition to music by Wolfgang and a delicious meal, the meeting also features the election of new board members and the presentation of scholarships to high school seniors. Dinner consists of fried chicken, roast beef, green beans, mashed potatoes, salad, rolls, drinks and dessert.

The cost is \$12 per person. Please RSVP by emailing us at [dinner@hobartalumni.org](mailto:dinner@hobartalumni.org). As of April 1, tickets will be sold at the high school office. Tell us how many people are coming, and their names, including yourself. You can pay at the door.

**CALLING POTENTIAL BOARD MEMBERS:** There are vacancies on the HHSAA Board of Directors, for 2-year terms beginning in August 2015. We are especially looking for alumni from recent decades, as well as anyone with legal or paralegal experience. Qualifications are that you graduated from, attended, worked at or taught at the Hobart City Schools, and that you have an interest in supporting and promoting Hobart High School and its alumni. Email HHSAA President Paul Addison at [paulhaddison@gmail.com](mailto:paulhaddison@gmail.com), if you are interested. The election will take place at the Annual Meeting on May 22. Thanks!

### Alumni Spotlight

## Angel McCullough, Court Reporter

This month, our Alumni Spotlight feature is with Angela (Angel) McCullough, HHS alumna from the Class of 2012. Angel is a court reporter, working in Washington, DC.

*Where are you now, and what are you doing these days?*

I recently moved to Washington, D.C. where I work for a court reporting agency called Alderson Reporting.

*Would you describe the path you took from Hobart High School to where you are now?*  
(continued on page 2)

## *Alumni Spotlight (cont.)*

Only three days after graduating from Hobart High School in 2012, I started taking classes at the College of Court Reporting in Hobart, IN. I attended CCR for 28 months and graduated in September of 2014. I was offered a position with Alderson Reporting shortly after my graduation from CCR, and that's when I decided to venture to D.C. and accept the offer.

*Were there any teachers or other people at Hobart High School, or any experiences growing up in Hobart, that had a particular influence on the direction of your life and career?*

Hobart is the best place in the world to grow up. I loved every second I spent there. My favorite part had to be cheering at the Hobart football games every Friday night. I loved watching the whole town fill the stands and await the Hobart football

team's storm out of the tunnel. Nothing will ever compare to those moments.

My favorite teacher of all time is Mr. Burger. He teaches at Liberty Elementary, and he was my 3rd grade teacher. Not only was he an AWESOME 3rd grade teacher, I went on to have a great relationship with him through my high school graduation. Mr. Burger was one of the sponsors for the Fellowship of Christian Athletes at HHS. I think I am speaking for the rest of the members of FCA as well as myself when I say that he impacted me more than he will ever know. Thank you.

*How do you like living in the Washington DC area? How does it compare to Hobart?*

I love it here in D.C. There is never a dull moment here, and the city never sleeps. I love going to the National Mall and looking at all of the monuments.

D.C. and Hobart are polar opposites. Hobart is very quiet for the most part and D.C. is always busy and hectic at all hours.

*Do you have any advice for high school students who are thinking of a career in court reporting?*

Explore your options. You can always change your mind if you don't like something. Also, find something you are passionate about, something you love talking about. If you aren't passionate about your career, then you won't go far. You have to love what you do, and if that happens, the sky is the limit. Good luck!
