Re: Hobart High School, Class of 1964, 50th Year Class Reunion on Saturday, July 5, 2014.

We send warm greetings to you, Linda, the reunion committee and the monetary contributors for all of the efforts for organizing the 50th year reunion for your Hobart High School Class of 1964. **(NOTE: Linda, you have our permission to quote any or all of the information on this document and share it with any of your class members via e-mail, letter or telephone.)**

A great big

THANKS ☺

for:

..... inviting us to your 50th year class reunion from 6:00 p.m. to midnight on Saturday evening, July 5, 2014, in the Festival Park Community Building at 111 E. Old Ridge Road here in Hobart.

..... **the very generous contribution of \$1000** to the Paul & Ruth Throne Scholarship Fund. Two future Hobart High School seniors, a boy and girl, will really appreciate your financial assistance when they pursue an education in their occupational preparation of being of service to others. The check you gave us that evening was submitted to the treasurer of the Hobart Educational Foundation on Tuesday, July 7th.

..... the mighty tasty appetizers, foods, and drinks.

..... the "list of classmates and where they are today." (Note: We have a folder at home for the Class of 1964 and it will be very helpful when looking up names and addresses of your class members).

..... the "Educator" wrap-around that was added to the personal attire of PET. ☺

..... the approximately 32 in. x 60 inch first class banner, "Thanks Coach Throne, Class of 1964." What a great surprise it was for three of the class members to endanger their lives and bring it out to the Parade Marshall's car so another class member could take a photo in the parade route area of 11 West Old Ridge Road. It was also very thoughtful to hang the banner in the building during the evening festivity.

..... having the opportunity to renew friendships with at least 43 of the 80 class members attending, plus another 15 to 20 spouses and guests that were there.

To the Class of 1964 and your spouses and guests, you are all mighty special. We sincerely treasure your friendship. Take care and God bless.

Ruth & Paul Throne

AGAIN LINDA, MANY, MANY THANKS!

A SPECIAL NOTE OF THANKS TO JIM, BLESS HIS HEART, FOR SHARING YOU FOR THE MANY HOURS YOU SPENT ARRANGING FOR YOUR 50TH YEAR CLASS REUNION.

Jim: Where and when did you learn to whistle like a referee's whistle? ☺
