Scholarship Winners Honored and the Future of Brickie Bowl Discussed at Annual Meeting

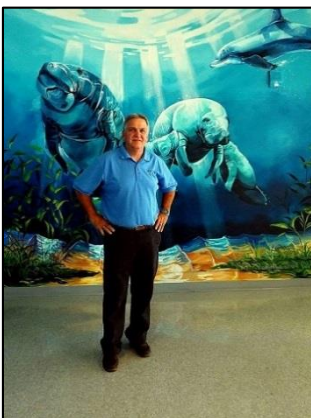

Hobart High School seniors David Kostbade and Annabella Melvin (left) were announced as the HHS Alumni Association scholarship winners for 2016 at the HHSAA Annual Dinner Meeting, held on May 13. Both David and Annabella read from the essay they had submitted with their applications, "What it Means to Be a Brickie".

Tom Kerr spoke about the history of Brickie Bowl, and included the remarks that Paul Throne had prepared (Paul was unable to attend), mentioning three people who were crucial to the building of the Hobart football program: Frank Kurth, Russ Deal and Don Howell. Then, Lino Maggio talked about "Bringing Back Brickie Bowl",

the project to clean up and renovate the classic Brickie Bowl, which will become a centerpiece for the revival of downtown Hobart.

The Alumni Association is excited to announce that BrickieFest 2016 will be the first major event held in the renovated stadium, during Homecoming Weekend on Saturday, October 8. This is an all-class picnic, free of charge, and the HHS Alumni Association will provide hot dogs, brats and bottled water. BrickieFest 2016 will be held from 12noon to 3:00 pm.

Alumni Spotlight

Pete Cortese, Alumnus and Muralist

If you purchased the Hobart football history book, "Once a Brickie, Always a Brickie", you probably noticed the mural drawing on the cover depicting Frank Kurth, Russell Deal and Don Howell. That mural was painted by Hobart High School alumnus Pete Cortese, Class of 1974.

Pete is the subject of our *Alumni Spotlight* feature this month.

I was raised and still reside in Hobart, Indiana. I am a Hobart High School graduate and earned my art degree from the American Academy of Arts in Chicago, Illinois. My interest in art started at an early age and my talents were encouraged by my art teachers and my mother who signed me up for my first oil painting class in my teens.

My passion has morphed over the years from oils to watercolors to acrylic mural work. I am challenged creating on a grand scale, telling a story through my painting, and possibly leaving an imprint on those who view it.

My murals at schools, hospitals, restaurants, museums, and the space center are especially

rewarding because of seeing the reaction and interest encouraged in children. I love answering their questions and a frequent one would be "What is your favorite thing to paint?" My response is that it would have to be underwater sea life and wildlife. I hope to inspire them to chase their own dreams. My advice to students would be that practice makes perfect and to develop a good work ethic.

I have always enjoyed painting portrait canvases with more intricate detail especially when combined with my love of sports. One of my latest projects has been working on a full-sized mural for "Once a Brickie, Always a Brickie", a football

history book, which was then reduced for the cover. I am currently in the process of creating another sports book cover for an upcoming book to be released this year.
